Once again I am given the pleasure of welcoming to The City of Regina, everyone attending the 52nd Annual Musical Festival.

We owe so much to the organizers of these Festivals for the time and effort they expend in their promotion of fine music in this community. It is through these Festivals that our youthful artists gain the confidence they need and the experience necessary to go on to win greater acclaim for themselves and bring honour to our very fine City.

On behalf of all our citizens, I extend a very warm and sincere welcome to those participating in the 1965 Musical Festival. I know it will be a most successful and pleasant event.

H. H. P. BAKER,
Mayor.

For over four generations perfection has been a tradition of the Heintzman family in the building of fine pianos.

Each Heintzman console model is a grand piano in upright form. The Agraffe Bridge, an exclusive Heintzman development, a feature that gives to the Heintzman Piano the beauty of its singing tone.

Visit our showroom and hear a Heintzman played, and you will recognize a piano of enduring pleasure . . . you'll be surprised how little extra it costs to own the best.

Encore for Baldwin

Official Piano and Organ,
New York World's Fair, 1964-65

Baldwin pianos and organs have been named the official instruments for the New York World's Fair 1964-65. Once again, the attention of the world will be directed to the superior quality of Baldwin pianos and organs at a great international gathering. Baldwin achieved similar recognition at the Seattle World's Fair in 1962, and at the American Pavilion of the Brussels World's Fair in 1958. Thus, Baldwin continues a distinguished tradition of going to fairs and coming home with honors, begun long ago with the Grand Prix at Paris in 1900 and the Grand Prize at St. Louis in 1904.
